# NORWOOD HIGH SCHOOL

*congratulations*

*Class of 2014*

The 76th Norwood High School TIOT is dedicated to

Maryann Berger

Mrs. Berger is the Norwood High School Digital Design art teacher. She is retiring from her career in the Norwood school system after 32 years. Mrs. Berger was born in New York, but moved to Norwood when she was young. She is a product of the Norwood Schools system, graduating in 1965. Mrs. Berger attended Anna Marie College for a BA in Art Education K-12, and received her masters degree in Technology at Lesley College. She eventually returned to the Norwood Public School system as an art teacher in 1982. She first started teaching in the elementary schools, with the Cleveland School as her base. Over 600 students went through her classroom each week. All of her students adored her. Later on, Mrs. Berger was involved in the incorporation of technology into the art program at the elementary schools. The original elementary art curriculum was produced with her aid. Mrs. Berger transferred to the high school art department after the technology course was established. Many of her students have won the Globe Scholastic Art Award. Mrs. Berger is a color enthusiast and works magic with her art. With her passion for art, Mrs. Berger has been dedicated in helping each one of her students succeed. Mrs. Berger has been committed to improving the NHS art program and the high school as a whole since she began working there in 2001. She has contributed a great deal to Norwood High School and has left a tremendous mark on every student she has taught, as well as on the Norwood community. Mrs. Berger will be greatly missed next year, and we thank her for her service.

# A Note From The Dean

The longer I live, the more I realize the impact of attitude in life. Attitude will make or break a company, a church, a home, a person. The remarkable thing is we have a choice every day regarding the attitude we will embrace for that day. We cannot change our past.

We cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play on the one string we have and that is our attitude. I am convinced that life is 10% what happens to me and 90% how I react to it. And so it is with you. We are in charge of our attitudes.

-Author Unknown

Stay positive, believe in yourself, work hard, and make a difference. Thank You and Good Luck, Class of 2014.

Mr. G

Most of us can agree that these four years spent in high school were the best years of our lives. This is where we had the best memories with our friends learned our first real lessons about life, and competed to excel in our academics so we can go to a college of our dreams. However, the transitional years are over. It is time to move on with our lives and go into the real world. Though our high school years are over the memories will never be forgotten. Thank you Shilo, Dolan, Katherine, Meg, Isuf, Kyree, Peter Paul, Joe, Mary, Mom, Dad, and Dan for helping me throughout these four years. I love you all!

I never would've survived High School without you both. Ms. Driscoll, you have dealt with my stressful moments, and I am eternally grateful. Thank you to Mrs. Ganson and Mr. Garczynski for writing my letters of recommendation. Thank you to my entire family, for their support and love. Their faith in me has allowed me to push myself and to accomplish more than I could've ever imagined for myself in these short four years. Thank you to my friends and classmates; school and homework would be much tougher if it weren't for all of you.

I am on my way, I can go the distance. I don't care how far, somehow I'll be strong. I know every mile will be worth my while. I will go most anywhere to find where I belong, because when your life flashes before your eyes, you want to make sure you've got plenty to watch.

It was a great four years! I can't even believe it's over-it went by really fast! One day you're a freshman in the second floor library of the old high school, doing your "hang" (homework), and suddenly you're a senior laughing it up with your friends in the hallways of your new school and getting ready for college! There were happy times, sad times, awkward times, even some boring times... But I'll never forget any of them, I'm proud to be Mustangs.

Freshman through junior years dragged on and  
now senior year won't slow down. I will miss the  
crazy hallways, congested stairs and all the  
annoyed faces I got when I walked around asking  
for donations to the National Honor Society.

# Football

The football team finished the 2013 season with a record of 1-10. It was a tough season for the boys but they played tough throughout losing several close games. The team's lone victory of the season was a 21-14 win over perennial Division 3 powerhouses Bishop Fenwick. The Mustangs were young this season but the future looks bright for Norwood Football. Joey Rydzewski, Mike Doliner, Zac Pungitore were recognized as Bay State league all-stars for their effort on the gridiron. Joey Rydzewski was Voted MVP, Brendan Walsh was Unsung Hero and Michael Roy won the Coach's Award. Thanks to all who participated this season.

# Cheerleading

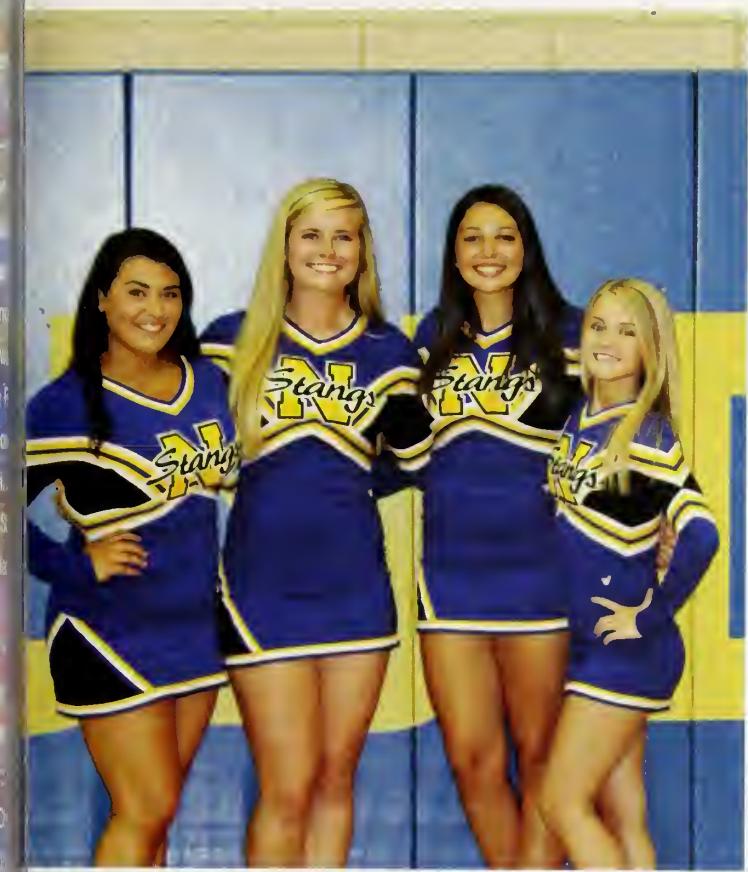

The cheerleading team had another amazing season. We started the year with an intense week-long choreography camp to prepare for the competition season ahead. We placed first in our division and fifth overall Baystates, where Nikki Verrochi received the honorable mention award and Kendyl Lundblad received the First Team All Star award. We moved on to Regionals, where we placed sixth. We finished our season at the State Championship, where we placed twelfth. Our MVP this season was Kendyl Lundblad, and our Unsung Hero was Shannon Keady. We enjoyed supporting the football team at all their games, and we continued to volunteer with the Challenger Cheer and Football program on Friday nights.

# Boys Soccer

Having a new coach and a bunch of new players, we made the best out of the season. Despite the record, we managed to have fun as a team and look at the bright side of everything. Even though we had a shaky start, we were able to keep the games closer as the end of the season approached. Our soccer skills improved while our confident attitude stayed the same throughout the year. The fun may have lasted a few weeks but the memories of the season will last a lifetime. Samuel Decaj won MVP, Jesse Fleming won Unsung Hero, and Tim Buckley won Most Improved. Thank you to everyone who played, and good luck next year, seniors.

The cross country team had a successful season, led by Captains Alanna Keady, Sam Baturin, George Meltzer, John Maloney, and JJ O' Donnell. The record might not have clearly demonstrated this, but almost every runner improved their best times throughout the season. The team worked hard all summer and all season long, including fun run trips to Nantasket Beach, Cape Cod Canal, and Adam's farm. Other highlights of the season include the Bay State Conference, the Marine Corps Training Workout and the many pasta dinners. Award for MVP went to Alanna Keady and JJ O' Donnell, Sam Baturin and John Maloney won the Coaches Award, and Kelly Blake and Dan Curley won most improved. The team looks forward to many more successful, fun seasons and wishes good luck to the seniors.

The boys battled to a 3-19 record this season. We returned only 2 players from the previous year and with such a young and inexperienced team we faced an uphill battle, but the guys never gave in and kept fighting. We won two of the most exciting games in recent memory by defeating rivals Dedham and Walpole at home - each by 1 point. Thankgod Ugochukwu hit a layup at the buzzer as time expired to defeat Dedham on the same night that we raised over \$5500 for a former player battling health issues. On senior night, the guys defeated Walpole with a layup by Chris Bell (Soph) with 2 seconds left.

After losing seven seniors and basically starting with a new team, we finished with a record of 13-9 and made tournament for the first time since 2010. The season looked promising when we jumped out to a 7-0 start, which took the whole league by surprise, including our optimistic coach Alex DeLuz. This season was led by captains Olivia Philbrook and Emily Clifford, two of our four seniors on the team this year. Freshman Meghan Reen and sophomore Maura O'Neill were named Bay State Allstars, and junior Julia Copponi was awarded an honorable mention. The team will greatly miss the four seniors graduating this year and wish you all the best.

The Mustangs entered the season knowing they were a top contender in the Bay State Conference. With back to back conference titles, the target was on their back. The team led by senior captains John Galvin, Jack Sheehan, and Mark Powers opened their season with competitive contestants. They lost a close game to Hingham, and held on to tie two Super 8 opponents Duxbury and Braintree. They then tied a hard fought game to Natick giving up a goal in the last minute of the game, but bounced back winning the next 4 in a row with great goaltending between the pipes by junior goaltender Denny Drumme. The Mustangs ended the season 11-5-4 topping off the season with a win against the rival Walpole Rebels on senior night. They entered playoffs as the 7 seed, taking down the 10 seed Mansfield in a 4-3 victory. They then went on to upset the strong number 2 seed Archbishop Williams 5-3 who was also a Super 8 contestant. The season ended after a hard fought heartbreaker to Barnstable in overtime 5-4. Congrats on a great season boys, and thank you for an unforgettable season seniors.

# Girls Hockey

The 2013-2014 Girls Hockey Season was a big success! Captains Emily Kelly and Colleen Glaser led the lady mustangs to the MIAA state tournament. Unfortunately the season ended in a heartbreaking last second loss to Westwood, who went on to play for the state championship. Kacie Smith, Emily Kelly and Sammy Hayes led the team in points this season. Our defense was anchored by goalie, Sam Baturin, who had support from blue liners Colleen Glaser, Sheila Carroll and Shannon Gillis. Some highlights from the season included two big wins over rival, Walpole, a big 1-0 win over Dedham and a tie against a very strong D1 Barnstable team. We created many off ice memories as well, including a trip to the Bruins, Harvard, Coach Coskren's house down the Cape and twice weekly pasta dinners. Seniors Emily Kelly, Colleen Glaser, Sheila Carroll, Sam Baturin and Marguerite Lee will be greatly missed next year, best of luck to all of them!

# Winter Track

The track teams had an excellent year, filled with quality performances and a good team effort all around. The boys team, led by captains Carlos Cardona, Eric Sullivan, and Tim Buckley, had a great season. They had several stand outs and a few qualified for states, including Tim Buckley, Aaron Cockrane, and Eric Sullivan. The highlight of the boys' season was their 62-38 win over Dedham. The girls team, led by senior captains Alanna Keady and Mackenzie Sheehan, and junior captains Nicole Marchant and Christine Giardini, also had a great season. Despite their losing record, the team athletes all showed individual improvement and there were several members who qualified for states. The 4-2 relay team qualified, along with Nicole Marchant, Sinead O'Brien, and Taylor Reed. Taylor Reed went on to qualify for All-States in the shot put as well. The team looks forward to continue to grow and strengthen for next season.

# In Honor of: Brian McDonough

Mr. McDonough is retiring as Athletic Director after 12 years at Norwood High School. He has been an integral part of our school culture in his leadership of Mustang Athletics. Many coaches, athletic trainers, staff, parents, volunteers, and of course, students have worked with Mr. McDonough, and speak of his love for Norwood. Mr. McDonough is a 1974 graduate of NHS, and counts the games and events that support other Norwood alumni like Matt Brown, Fernando Morales, and Tim Goodwin as his most meaningful moments as Athletic Director.

As he said in his Mustang Minutes, "Witnessing young 14 year old adolescents entering Norwood High School and growing into responsible young adults is very rewarding. Athletics teaches students many wonderful life lessons. By being a member of a team, students learn how to work together with a common goal to do their best."

Thank you, Mr. McDonough, for helping so many athletes see this. You will be missed.

Go confidently  
in the direction of  
your dreams.

# A Final Thank You!

The Norwood High School TIOT staff would like to thank all those who helped in the creation of the 76th edition of the TIOT. The considerate people that took the time to contribute include Mr. Usevich, Mrs. Weinstein, Ms. Shore, Mr. Conant, Ms. Drumme, Dan Busler, Amy Beaumont, Terry Blieler, Peter Greer, and the whole NHS staff for putting up with us taking photos all year.

The 2014 TIOT staff would like to thank Mrs. Treloar for all of her hard work this year that went unnoticed. She held meetings before and after school, took time out of her prep periods and free time to help the TIOT staff and keep us on schedule to meet our deadlines. Thank you, Mrs. Treloar!

Mrs. Treloar would like to thank the seniors for handling her endless requests for senior pictures, write ups, and payments. Also, she would like to thank the 2014 TIOT staff for making this year's yearbook a success. The staff came up with the idea for the cover, advertised the yearbook on NHS Update, and came up with other inventive ideas that set this yearbook apart from the others.

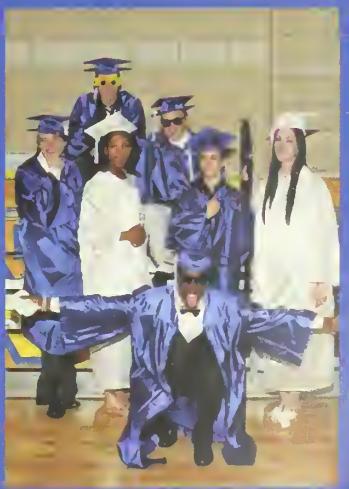

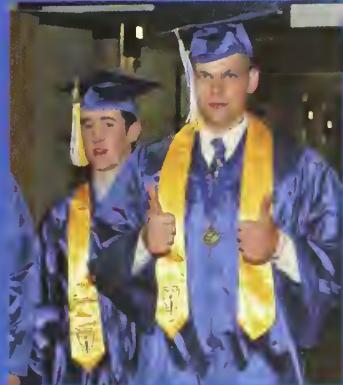

Best of luck in the future, Class of 2014!

# Boys Volleyball

The 2014 volleyball season was led by co-captains and setters Danny Porter and Ian Quintana. With only three varsity players returning at the start of our season, a new team was being created. Junior Kevin Perry returned to the team serving in a new role, outside hitter. Seniors Walker Alexander, Matt Collins and Brian Harkins all joined the team after playing one year on JV; seniors Sem Decaj and Connor Dolan made positive impacts in their first seasons and juniors Joey Barrett and Felipe Figueiredo stepped up from JV as well. With only ten members, every individual had a purpose and role on the team. With a strong opening to the season, we defeated Taunton, Brookline and Weymouth our first three matches; we then competed with Braintree, Framingham, Wellesley and Newton North though the end results did not go our way. After losing Kevin to an injury mid-season, our rotation adjusted and Joey complimented Brian as our new outside hitter. Walker and Matt provided strength in the middle and Felipe focused on back row passing. While Sem's position was ever-changing, this was invaluable because he was willing to fill in at any point, for any position. Highlights from our season include taking games from Framingham, Wellesley and Newton North, running a highly effective 6-2 thanks to our setters Danny Porter and Ian Quintana and having a team where the bond of camaraderie allowed them to bounce back from difficult matches. Senior Danny Porter was voted Bay State Conference All-Star and received the NHS Skillful Player Award. Ian Quintana earned Bay State Conference Honorable Mention and received the Coach's Award, and senior Connor Dolan received the Most Improved Player Award. We wish our seven seniors luck next year; you will all be missed!

The Norwood High School lacrosse team had a successful year on the fields. The team qualified for the MIAA State Tournament. Norwood won their first matchup against Scituate before losing to Hingham. The Mustangs were led by captains Danny Farrell and Steve Gross. A highlight of the season was easily the last game against Burlington. It was a must-win game to get into the tournament. Trailing by five goals in the fourth quarter, Norwood scored eight unanswered goals to win the game 11-8. The award winners for the Mustangs were JJ O'Donnell(Unsung Hero), Eric Sullivan(Most Improved), and Steven Gross(MVP). Good luck to all the seniors!

# Softball

The Norwood Softball team had a great year, ending with a 16-5 record in the Bay State Conference. We had some big wins, including two victories over our rival Walpole. There were some stand out players this year, including Erin Garczynski as MVP, Katie O'Donnell as unsung hero, and Nicole Butts, who won both the Team Spirit and Coaches Awards. Captains were Erin Garczynski, Nicole Butts and Kara Shea, and they did a great job of bringing this team together. We will greatly miss our seniors, Emily Johnson and Nicole Butts, and wish them well on their future endeavors. We look forward to coming back next year with the same spirit and determination as we did during this entire season. Go Mustangs!

# Baseball

Although The Norwood Baseball team was filled with rookies this year, we had our most successful season in decades, going all the way to the State Championship for the first time since 1943. After defeating New Bedford in the semi-final game, Senior John Galvin retired the last 18 batters and went 4-for-4 with a run scored to lead Norwood to the MIAA Division 1 state final with a 2-1 win over Andover at LeLacheur Park. That led to the Mustangs playing Leominster for the State Title at the College Of Holy Cross. Although ultimately we lost the championship, this was still a banner year for this team, ending with a 16-10 record. John Galvin won MVP, Joey Rydzewski won Unsung Hero, and Mike Doliner won the coaches award. We are sad to see so many talented seniors graduate, and we wish them the best for their future.

# Girls Tennis

The girls tennis team had one of their best seasons in a long time. The team's hard work and dedication showed on the court this year. Leading the team was senior captains Brittany Folan and Lauren Plasko and senior Bethany Nikolassy. The team's first single was Nency Sengani, second single was Julia Ragusa, third single was Ioana Stocia, first doubles were Brittany Folan and Lauren Plasko, and second doubles were Jess Chammas and Saloonee Adhikari. The highlight of the season was when the girls won their first match of the season against Weymouth. The wins did not end there, the girls went out to win more matches throughout the season to make it one of their best seasons in awhile. Good luck to the girls next year and go! Jack London!

# Boys Tennis

This season saw a lot of new faces on the boy's tennis team. After losing 6 seniors in 2013 to graduation and with other players unable to return, the team had a new identity and consisted of mostly brand new players. This team included just one senior, Jason Sicklick (Coach's Award). Our best performer and captain was junior, Nathan Jones (MVP). He impressively won 6 matches at #1 singles which is the most competitive position in the high school tennis format. In my 6 years of coaching, he was the first Norwood player to accomplish that many #1 singles wins in a single season. The team was unable to win overall due to their lack of experience in competitive tennis. However, the players learned to compete with much more confidence, and the team had an overall increase in enthusiasm for the sport by season's end.

Sophomore Luke Andrews, was named 'Most Improved' because he climbed the Norwood ranks to #2 singles (the second highest spot on the team) in his first season. The future looks brighter for Norwood Tennis. See you all at the start of this year's fall season, October 1st, for our first home match against Weymouth.

The season had many bright moments despite the rather dismal record. Many of our athletes achieved "PB's" ...personal bests times and distances during this season. This hopefully will be enough to encourage them to further participation next season. Actually, it is our hope that the same athletes will continue into the upcoming winter indoor season. We were able to send 4 athletes to the Division III meet held this year at Pembroke H.S. They participated in 3 events: 100 meter dash, the 400 meter dash and the 4 x 100 meter relay. Freshman Fiona Jordan did well in her event the 400. She may not have done as well as she would have liked, but now she knows what to expect in the future. The 4 x 100 relay just finished out of the medal round. The group consisted of sophomore Sinead O'Brien, Fiona Jordan, Bella Aspinwall and Nicole Marchant being juniors. Of the group, Sinead would prove to be quite the runner as she captured 8th place in hers and medaled for the Mustangs in the 200 meter dash. Of note, she was also this year's Varsity captain.

All coaches were pleased with this year's team. It far surpassed that of last year and looks to improve as we approach the indoor season. For the boys team, Aaron Cockrane, Peter Dorisca, Sam Masse and Miguel Solis were sent to All-States for the relay squad, sophomore Chris Bell was named Outstanding Athlete at the MSTCA Freshman/Sophomore Small School Meet, and was awarded Unsung Hero. Aaron Cockrane was MVP, and Mike O'Donnell was Most Improved Player.
